HOW FUNDED HOURS FEES ARE CALCULATED

Example 1 (Term-time only):

Child B attends the nursery 3 days full days per week using 30 hours of Government Funding during Term-time only (38 weeks).

Daily fee: zero charge to parents (waived with Government Funding)

Daily Care Package: £16.70

3 days per week = £16.70 x 3 = £50.10 per week

Weekly Cost: 3 Daily Care Packages (£50.10) = £50.10 per week

Monthly Total Cost: subject to the number of weeks and days in a given month.

Example 2 (Stretched Funding):

Child T attends the nursery 3 full day per week using 30 hours of Government Funding. Child T attends the nursery All-year round (50 weeks).

30 Hours stretched funding = (30 hours x 38 weeks) ÷ 50 weeks = **22.80 funded hours per week**

22.80 funded hours per week = zero charge to parents

Additional hours per week = 30 - 22.80 = 7.20 hours

Additional hours per week total cost = Additional hourly rate (£10.50) x 7.20 hours = £75.60

*** Parents to pay £75.60 per week for Additional hourly fees**

Daily Care Package: £16.70

3 days per week = £16.70 x 3 = £50.10 per week

Weekly Total Cost: Additional hours fee (£75.60) + 3 Daily Care Packages (£50.10) = **£125.70**

Monthly Total Cost: subject to the number of weeks and days in a given month.
